

# Leighton-Linslade Helping Hands...

...needs steering group members to get the scheme 'off the ground'.

**Can you lend some of your time to help others in your community?**

The scheme will be there for any Leighton Buzzard and Leighton-Linslade residents who need occasional help such as a lift to the doctor's, shopping, collecting prescriptions, dog-walking, or simple practical help such as changing a light bulb.

Please get in touch with Mike Fayers at BRCC for more information:
